

----- fold here and leave on the table -----

Dear Restaurant Owner:

I come to your restaurant to:

- 1) Enjoy the food
- 2) Enjoy the company and conversations of friends

I am glad that your restaurant does not have big screen media devices in your restaurant that would distract from my desired dining experiences. I would be more likely to return to your restaurant in the future if big screen media devices are not installed in your restaurant so I can continue to have a media free dining experience.

For more information on Media Free Dining, please visit the website at
